

## **PATRONAGE SCHEME**

The Carnival in North Petherton has been going for 70 years. One thing we do know, however, is that our regular carnival fans support us year after year because they do not want to see this wonderful tradition suffer, and neither do we! We need to boost our collection and as many of you already donate generously each year we feel that some kind of recognition is in order.

Would you be interested in becoming a Patron of North Petherton Carnival and make your donation earlier in the year? We have introduced a Patronage Scheme to acknowledge the support of those who do truly give generously. A donation of at least £5.00 for a year's patronage will give you a mention in the Carnival programme, plus a free programme as soon as it is ready. You will also be helping North Petherton Carnival greatly.

All Carnivals need continued support to help keep this tradition alive and this patronage scheme is one way of showing the appreciation of North Petherton. If you are interested please download and complete the form (from the link below), or write the details on a sheet of paper and send it with your donation to,

**North Petherton Carnival (Patronage Scheme),
